

What Cookies Are

Cookies are small text files that are sent to your computer while you are on a website. They help us find out which website pages are effective and which of them need improvement.

We use cookies for marketing purposes:

- to ensure that the website functions properly
- to improve the website based on how you got to the website and what devices you use

The "How to Manage Cookies" section below describes how you can change your cookie preferences. Please note that if you turn off cookies and similar technologies completely, this may affect your user experience on the website, and some features might not work as expected.

What Types of Cookies We Use

Below you will find a list of different cookie types that can be used on this website. This Cookie Policy describes how we use all kinds of information that can be collected from cookies.

We provide an expiration period for each of these cookie types based on the information we have. However, the expiration dates for any third-party cookies are set by these companies and can be changed by them at any time.

1. Basic cookie files

Basic cookies allow you to navigate through our site and use our services and functions. Without these files, our website will not be able to work effectively.

See below for examples of each type of cookie:

Cookie Name	Description	Expiry
PHPSESSID	Preserves user session state across page requests.	User session time
BX_USER_ID	CMS Bitrix cookie	10 years
_tl-agreement	Cookie policy agreement cookie	User session time

_tl-marketing	Cookie policy agreement cookie	User session time

2. Analytics cookies

Analytics cookies collect information about your use of the site and help us to improve its functionality. For example, analytics cookies show us the most frequently visited pages on the site as well as analyze the site traffic. We use analytics cookies to look at the general trends of how people use the site, and not how a user interacts with the website.

We use platform for analytics: Yandex.Metrics.

Because cookie standards are continuously evolving, we recommend that you take a look at this policy from time to time to see if there were any changes. The following parties place cookies and/ or other technologies on our website:

- [Yandex](#)

Yandex.Metrics service.

The Yandex.Metrics service uses cookie technology. The information collected by the cookie can not identify you, but it can help us improve our site. Information about the use of this site by you, collected with the help of a cookie, will be transferred to Yandex and stored on the Yandex server in the EU and the Russian Federation. Yandex will process this information to evaluate the use of your site, compiling reports on the activities of our site, and providing other services. Yandex processes this information in the order established in the conditions of using the Yandex.Metrics service.

You can opt out of using cookies by selecting the appropriate settings in the browser. Also you can use the tool: <https://yandex.ru/support/metrika/general/opt-out.html> . However, this can affect the operation of some functions of the site. By using this site, you agree to the processing of data about you by Yandex in the manner and purposes indicated above.

3. Marketing cookies

Ad networks and media agencies act as intermediaries for websites and advertisers. The marketing cookies of these parties make the following possible:

- We can show you advertisements from third parties
- Our advertising partners can combine your preferences at bol.com with information they collect when you visit other websites

For the cookies that these parties place for marketing purposes, we refer to the statements on the websites of these parties. Because cookie standards are continuously evolving, we recommend that you take a look at this policy from time to time to see if there were any changes. The following parties place cookies and/ or other technologies on our website:

- [Facebook](#)

We only use marketing cookies if you have given permission for this. If you do not give permission, advertisements will still be shown, but these are random advertisements.

How to Manage Cookies

You can disable cookies — basic, analytical and marketing — in the settings of your browser.

Information about frequently used browsers can be found here:

<http://www.allaboutcookies.org/manage-cookies/index.html>. To delete cookies set by our site and other sites, you can follow the instructions on the help pages of your browser or sites. You can also block the installation of cookies in the future by our site and other sites.

If you want to clear all cookies installed by the websites that you visited, here is the link to the program to clear the cookie tracking files:

http://www.lavasoftusa.com/products/adaware_se_personal.php. Should you decide to clear all cookie tracking files, some other types of cookies may still be used. Please note that if you purchase a new computer, install or update a browser, erase or otherwise modify your browser's cookies, it may also result in the clearing of cookies.

How to Block Cookies

Many browsers allow you to refuse the use of cookies. The links below will help you to learn more about how you can control cookies in your web browser. However, remember that disabling cookies extends not only to this, but to all other websites.

- Internet Explorer <http://support.microsoft.com/kb/278835> (All versions of IE: Information about the mobile version can be found here: www.microsoft.com/windowsphone/enus/howto/wp7/web/changing-privacy-and-other-browser-settings.aspx)
- Chrome: <http://support.google.com/chrome/bin/answer.py?hl=en-GB&answer=95647>
- Safari: <http://docs.info.apple.com/article.html?path=Safari/5.0/en/9277.html> (or <http://support.apple.com/kb/HT1677> for mobile browser versions)
- Firefox: <http://support.mozilla.org/en-US/kb/Enabling%20and%20disabling%20cookies>
- Opera: <http://www.opera.com/browser/tutorials/security/privacy/>

Blocking cookies can have a negative impact on the performance of many websites.

How to Delete Cookies

You also have the option to delete cookies that are stored on your computer. Just follow the instructions of the browser. Again, deleting cookies can have a negative impact on the performance of many websites.

More information about deleting cookies can be found here: <http://www.aboutcookies.org/page2>.

Policy Updates and Feedback
